

January 19, 2018

The Service to Members Committee is organizing an item collection to help out Kids Kottage. Items or cash donations will be collected at the February 21st Council of School Representatives (CSR) meeting and delivered to Kids Kottage by committee members and/or President Quinn.

**Kits Kottage is a place**

For children – it's a safe nurturing home away from home during a time of family crisis.

For parents in crisis – help is a phone call away, and they ensure that caring support, encouragement and guidance is given to any parent in need.

More information on the organization is available on their website:

<http://www.kidskottage.org/>.
