

Good day fellow teaching professional.

My name is Dolph Shaw and I would love your vote to become a member of the TWC (Member at Large) and ultimately the NSC

chair for this next round of local negotiations.

I am a proud teacher of 30 years who has taught all subject areas from Kindergarten to grade 9 in both English and French. I have been active with the ATA since I was a university student; what seems to be a lifetime ago. I have been on several ATA and district committees as:

- a continual ARA delegate (20 times?),
- a NSC member (your Negotiating Sub Committee of the last 2 rounds of local negotiations),
- a TWC member (Teacher Welfare Committee for the last 4 rounds of local negotiations),
- a 6 year GETCA (Greater Edmonton Teachers' Convention) member, filling the roles of VP of Facilities and Treasurer
- a provincial ATA Pension Councilor (9 years).

It has been my absolute pleasure to serve my teaching community over these years and it would be an honour to continue to serve as a TWC member and ultimately the NSC Chair in the next round of local negotiations.

Thank you,

Dolph Shaw
